Dear Colleague,

It's our great pleasure to announce that the

8th National Mini-Drama Festival,

which follows the seven previous editions 1996-2004, will take place

in Warsaw, 4th – 5th June, 2005

The Festival is organized by the **Music and Drama Special Interest Group (MAD SIG)**, a section within IATEFL Poland, in co-operation with our friends from **CODN, Warsaw**.

Groups of learners of English from **primary, Gimnazjum and secondary schools** are welcome from all over Poland with performances in English lasting **up to 20 minutes**. All topics, genres and forms are accepted, including ready-made plays and sketches, book adaptations, musical stories and original scripts. The Festival is non-competitive, and therefore each group - regardless of age and merits - will be awarded a diploma and a surprise gift.

The Festival will have **four distinct sessions**, within which all the groups will perform, watch others perform, take part in games and competitions provided by the Organizers and finally join in the Awards Ceremony.

The detailed programme will be scheduled and sent out to participants after all the applications have been processed. Please indicate in your application what session would be most suitable for you and your actors to perform (considering the travel arrangements).

A registration fee of 60 zł per group will be charged on receipt of your application. The bank details will be sent out to you together with confirmation of your participation in the Festival. These funds will help cover the costs of the Festival (P&P, technicians, catering, etc).

Please bear in mind that the Organizers cannot help you with any transportation or hotel arrangements, so if you are planning to stay in Warsaw for a night or two, make sure you book your hotel well in advance.

Please find enclosed the application form. Complete it **in block capitals** and send it back to us **by 15th May**. All late applicants run the risk of not being included in the Festival.

We are looking forward very much to meeting you in Warsaw.

Best wishes
Barbara Ściborowska
Festival Coordinator
