CONTINUOUS IMPROVEMENT OF TEACHING AND LEARNING QUALITY WEBINARS

TITLE/ TYTUŁ: The Old, the New and the New Old? - Classroom and ZOOM room

20/10 /2020

DESCRIPTION/ OPIS:

It seems almost a lifetime, but actually it was only six months ago that we suddenly had to change from ROOM to ZOOM! What have we learned in those six months?

I found it to be an interesting learning experience, putting my previous teaching ideas and general teaching approach into a new perspective. I would like to share and discuss with you the new situation on the basis of three questions: What actually did NOT change? What did I have to re-think? and What can I take with me from the digital experience when I return to "normality"?
