CONTINUOUS IMPROVEMENT OF TEACHING AND LEARNING QUALITY WEBINARS

TITLE/ TYTUŁ: Pronunciation tips and tricks for young learners

30/11 /2020

DESCRIPTION/ OPIS:

How can we teach pronunciation to (very) young learners and what to choose to practise and how? Let them play and gain!

In this webinar Sylvie Doláková will show various techniques that work for little kids as well as for older learners.

She will demonstrate how we can use games to help little learners with precise imitation of sounds and sound production; she will tackle the question „Phonetic transcription, yes, or no?“, she will give examples of rhythmical exercises and rhyme and also talk about stress patterns and consolidating stressed and unstressed syllables.
