

International Association of Teachers of English as a Foreign Language in Poland
Stowarzyszenie Nauczycieli Języka Angielskiego w Polsce
IATEFL POLAND <http://www.iatefl.org.pl>

INVITATION

Dear Colleagues,

IATEFL Poland, Krakow Region, and Geoff Tranter, Freelance Consultant in the field of Language Training, Language Testing and Teacher-Training

**have the pleasure to invite you to
the webinar**

which will take place on Wednesday, 3rd March 2021, from 20.30 to 21.30 CET.

Your registration can be made via Click platform

This webinar is titled:

**"Save lives and money! Using Commas, Hyphens and Apostrophes Correctly -
Background to Teaching Punctuation"**

Brief summary:

Punctuation is not really an issue for many teachers, especially in lower-level courses. The CEFR fails to mention punctuation at A1/A2, and, even at B1, restricts itself to "*Spelling, punctuation and layout are accurate enough to be followed most of the time.*"

Furthermore, the predominance of emails as a standard form of private and business communication seems to have contributed to diminishing the need for correct punctuation.

However, in higher-level groups greater emphasis is required, and yet many students seem to have little idea of correct punctuation (even in their first language), and often display a lack of interest. This practical workshop will – in a hopefully entertaining way – show practical, easy-to-apply and in many cases humorous techniques to combat these problems by making punctuation relevant and fun!

After the webinar, all participants will receive a Certificate of Attendance.

IATEFL Poland members have priority of registration for this webinar.

Do not delay. The number of participants is limited.

Professional profile

Geoff Tranter

**Freelance Consultant in the field of Language Training,
Language Testing and Teacher-Training**

Within the fields of Language Training, Testing and Teacher-Training, Geoff is particularly interested in:
