

**IATEFL RADOM REGION & RODON CONFERENCE, 10th & 11th of April
2021**

‘Zaopiekuj się sobą, nauczycielu’.

It was the fourth conference organised in co-operation with RODON, Radomski Ośrodek Doskonalenia Nauczycieli, and the second one to have taken place on-line. 220 people registered for our 2-day event, and they had an opportunity to take part in 9 sessions delivered by this lovely group of teaching enthusiasts:

Monika Podsiadło (RODON, Radom), Dariusz Nowak, Ewa Torebko, Łukasz Knap, Magdalena Kania, Monika Kapuśniak, Joanna Porębska. IATEFL Poland was represented by Magda Zawadzka and Alicja Gałazka.

The sessions showed a whole variety of topics; 4 of them concentrated on different on-line tools and activities used to assess and engage students, 3 were about ways of looking after ourselves in both personal and professional life. There was a session about using art in teaching languages and other subjects, and a presentation about international projects for both

teachers and students. The participants were pre-dominantly teachers of English, but also of German, Art, IT, History, and Mathematics.

The feedback we received was very positive, and many participants said they were already looking forward to next year's event. It was encouraging to see so many people willing to take part in yet another on-line event.
